### PROGRAMS

### PROFESSIONAL SUMMARY

UI/UX Designer and Web Developer with a creative mind and a passion for problem solving. Experienced in collaborating with team members in an Agile environment and working with multiple design and development programs.

### CAREER SUMMARY

#### **Software Developer Intern | Prosper IT Consulting**

February 2022 - March 2022

Collaborated with a team member in an Agile environment to create logos, wireframes, mockups, prototypes, and a website for a construction client. Utilized version control by working on separate branches and committing changes and creating pull requests upon completion. Used programs such as Visual Studio, Adobe Photoshop, Adobe XD, and Azure DevOps.

#### **Customer Service Manager | Liberty Bank Minnesota**

September 2013- July 2021

Worked alongside customer service staff while providing guidance and feedback to help employees learn and grow in their career. Improved customer experience by providing updates to Liberty's website functions, implementing checklists for CSRs, and creating an in-depth, fully searchable , Customer Service Manual.
